If you all can let me know when you approve a new homeowner product and provide the details of the product (reg # & bait station tier), I will take care of updating the webpage.

Thanks,

Morning Dan,

The attached link was sent to me by one of our sales people (current as of April 8, 2011), but I don't see our Tier 4 bait station (61282-19) listed. Who do I need to contact to update the webpage?

Thanks in advance for your help!

Best,

Jenny
